RE: 5 DAY RESPONSE TO RCW 42.56.520
REQUEST NO. R003121-030619

Dear Cyrus Farivar,

Franklin County is in receipt of your Public Records Request dated and received on 03/05/2019 for "Under RCW 42.56, I am hereby requesting any and all documentation, correspondence, specs, legal memos, drafts, images, videos, audio, maps, and any other records or materials associated with your agency's acquisition of thermal imaging-equipped drones. See: <https://keprtv.com/news/local/new-drones-will-help-law-enforcement-find-people-with-thermal-imaging> Specifically, I am interested in any legal analysis and related training surrounding the deployment of these drones, correspondence related to their acquisition, and policies governing their use. This is to include all of the relevant correspondence between anyone from your agency, your donor, and the vendor that sold you these drones and the related imagers. Please consider the timeline range from January 1, 2017 (or whenever the earliest such record begins) until this search request is fulfilled."

Additional time is needed to respond to your request based upon the need to locate, assemble and evaluate responsive records for exemption from disclosure. Responsive records are being collected and processed. It is estimated that responsive records will be provided on about 04/09/2019. This is a good faith estimate of the time it will take to fill your request. If more time is needed we will let you know.

Thank you for contacting Franklin County.

Sincerely,

Franklin County Sheriff's Office
